# 905.628.0765

Always Dependable Service (ADS) is pleased to announce that Jack Zielinski has joined the ADS team. Jack will take on the role of senior mechanical designer for wheelblast equipment. Jack has 24 years experience as a designer of airless blast equipment. During those years Jack has designed many special function machines which are operating successfully throughout North America and Russia. ADS is very happy to have a designer with the talent and experience of Jack Zielinski who provides the technical ability to expand the ADS product line offering. Jack can be reached by calling ADS at 905-628-0765 ext.228 or email Jack at [jzielinski@ads-shotblast.com](mailto:jzielinski@ads-shotblast.com)
