Always Dependable Service® is pleased to announce that Don Pelle has joined the ADS team as North American Sales Manager.

Don has been part of the surface preparation industry for 30 years; 24 of those years at Wheelabrator® in various roles including Service Division Manager and New Equipment Sales. Don has also enjoyed time with Pangborn® as well as operating his own company consulting to the industry.

In his new capacity as North American Sales Manager, Don will play a significant role in launching ADS globally. This will include the establishment of a distribution network expanding ADS' market exposure with a full line of surface preparation equipment and products.

In order to further the growth goals put in place by ADS management we are also pleased to announce that the company will be relocating to a new facility which will provide significantly improved manufacturing capabilities. The move to the new facility will be completed by the end of December. Please plan to attend our open house which will be announced later this year. More details of the new facility will be released shortly.

In the interim please feel free to contact Don at 905-221-3544 or 905-628-0765 Ext. 246.

Contact ADS for all your equipment requirements. ADS has over 30 machines in various stages of rebuild for sale. ADS offers Worldwide shipping and full turnkey installation.
